

FLIGHT TASTING - DOMAINE EVENSTAD

A fan of Great Burgundy Wines?

“The artistic confluence of tradition, excellence and innovation”

Domaine Evenstad, located in Santenay (1 Place du Jet d'eau), offers you a selection of Great Burgundy wines with prestigious appellations such as Pommard, Gevrey-Chambertin and even Nuits-Saint-Georges. Here you can find Chardonnay and Pinot Noir in all their splendor, grown, vinified and aged to produce « cuvées haute couture ».

Enjoy a special moment, under the magnificent 19th-century vaults. In this five-wine tasting session, you will be assisted by one of our wine experts, who will take great pleasure in helping you discover or rediscover our highly prized Burgundy Climats (Terroirs).

Great Burgundy Wines deserve a special setting. This is why we have carried out major renovation works on the 1838 manor house on the main square of Santenay, henceforth the new home of Domaine Evenstad.
