

GRAND TASTING DOMAINE EVENSTAD

What wine-lover has never dreamed of discovering the secrets of how Great Burgundy wines are made?

“The artistic confluence of tradition, excellence and innovation”

Domaine Evenstad, located in Santenay (1 Place du Jet d'eau), offers you a selection of Great Burgundy wines with prestigious appellations such as Pommard, Gevrey-Chambertin and even Nuits-Saint-Georges. Here you can find Chardonnay and Pinot Noir in all their splendor, grown, vinified and aged to produce « cuvées haute couture ».

The Grand Tasting experience starts with an introduction to Burgundy. Next, accompanied by a dedicated wine expert, you head off through our 19th-century cellars which lead to the holy of holies: our state-of-the-art winery. From a belvedere overlooking our fermentation vats, you enjoy an interactive tasting session including six of our very special wines, served with cold small bites. It can be booked as a private experience as from four guests.

Great Burgundy Wines deserve a special setting. This is why we have carried out major renovation works on the 1838 manor house on the main square of Santenay, henceforth the new home of Domaine Evenstad.
